Youth friendly general practice

Complete the following table before and after participating in class discussion about the video.

What do I think about GPs?

	Before the video	After the video
Confidentiality Q: Does the doctor have to keep my visit confidential?		
Q: Can they tell my parents what is discussed?		
Trust in patient/provider relationship Q: Do I trust the doctor to give me good information?		
Q: Do I trust the doctor enough to ask personal questions?		
Embarrassment in disclosing health concerns Q: Would I be embarrassed to discuss sexual health concerns?		Note down discussions in the video, even if your opinion has not changed.
Q: Would I be embarrassed to discuss my mental health?		
Young people's rights to health care Q: Do young people need their parent's permission?		
Q: Can young people go to the doctor without their Medicare card?		
Knowledge of services available, Q: What services do doctors offer?		
Q: How they can be accessed		
Skills to access health information, products and services Q: Do you need any specific skills to go and visit the doctor?		
Q: What might you need to consider before going?
